WHO WE ARE...

As an independent Bahamas came of age in the late 1970s, David Blake searched for the perfect fusion of flavors that would be symbolic of the multicultural archipelago.

“Uncle Dave” as he was called by family, friends, and the public at large, was a pillar of both the sports and cultural communities but he made one of his greatest impressions in the kitchen with his unique Bahamian Pepper Sauce.

Uncle Dave’s Pepper Sauce is 100% Bahamian owned and operated. We pride ourselves on ensuring that we produce an authentic Bahamian Pepper Sauce, just the way Uncle Dave intended.
